

THIRTEEN M MEN TO RETURN FOR FOOTBALL

SCHULTE AND BREWER PLAN A CHAMPIONSHIP TIGER TEAM

Captain Lansing, Hamilton, Preston, Muir, Groves, McAnaw, Van Dyne, Giltner, Rutledge, White, Pittam, Rider and Stankowski, All Regulars, Will Be Back—First Five Games To Be Played at Home.

Robert L. Simpson, world's champion hurdler, will probably be out for football. Simpson is the best punter in the University.

With thirteen of the seventeen M men to be back this fall, with any number of promising substitutes, reserves and last year's freshmen, with the team at home for the first five weeks of the season and with everyone determined to make up for last year's disastrous season, football prospects at the University of Missouri may be said to be bright.

Every one of the thirteen M men have answered the first call and all of them will be on hand when school opens with the possible exception of Van Dyne, who may be a few days late. Only Collins, Reppy, Clay and 1915 Captain Speelman will be missing from the ranks, and of these, only Speelman and Collins were regulars.

The men who will be on hand September 18 are: Captain Lansing, Hamilton, Groves, McAnaw, Muir, Pittam, Stankowski, Giltner, White, Preston and Rutledge, all of whom with the exception of Groves and Lansing had

their M last fall for the first time. Six and possibly seven of last year's substitutes will also be back. They are McMillan, 1917 baseball captain, Chittenden, Bond, Vogt, Haines, Slusher and possibly Wyatt, the star quarterback.

ly hard schedule ahead of them this season, it is also well-balanced. Two games with the freshmen will put the team in shape for the bout with Central here on October 7. Following that will be two more home games, first with Washington and then with Ames. From then on the contests alternate, making five home games and three on the road. The big clash with the Jayhawkers comes at Lawrence on November 30, Thanksgiving Day.

Of the seven schools of equal rank with Missouri on the schedule, three are unknown quantities while the other four are known to be strengthened.

Washington is strong, though they have lost Lewis, who beat the Tigers almost single-handed last year at St. Louis. Ames will present another husky bunch with practically their whole team of 1915 eligible for competition again this year.

The Oklahoma Sooners have lost Geyer and Johnson from their fast backfield of 1915, but Montgomery, captain, and Fields, the other end will be on hand this year to catch the elusive forward passes, the strong point

Van Gent will have to work with a green bunch down in Texas, for the veterans who made up the wonderful combination of the last three years
